

BGIN BLOCKCHAIN LIMITED Announces Share Purchases by Chairman and Independent Director

January 8, 2026

SINGAPORE, Jan. 09, 2026 (GLOBE NEWSWIRE) -- BGIN BLOCKCHAIN LIMITED ("BGIN" or the "Company"; NASDAQ: BGIN), a digital asset technology company with proprietary cryptocurrency mining technologies and a manufacturer of cryptocurrency mining hardware, today announced that the chairman of its board of directors and co-founder of the Company, Oisin Li, and its independent director, Paul Tsang, had purchased additional Class A ordinary shares of the Company in the open market.

Mr. Li acquired an aggregate of 60,000 Class A ordinary shares at an average price of US\$3.7 per share and Mr. Tsang acquired an aggregate of 8,100 Class A ordinary shares at an average price of US\$2.85 per share. These purchases demonstrate their continued confidence in the Company's long-term prospects.

"My decision to invest further aligns with my strong conviction in BGIN's direction and its long-term potential. We are actively strategizing to become an infrastructure player within the Bitcoin ecosystem," said Oisin Li, Chairman and co-founder of BGIN. "Together with Paul, I see a notable gap between today's price and the long-term future value I am confident the Company can achieve."
