

## **BGIN BLOCKCHAIN LIMITED to Participate in the 38th Annual ROTH Conference**

March 18, 2026

SINGAPORE, March 19, 2026 (GLOBE NEWSWIRE) -- BGIN BLOCKCHAIN LIMITED ("BGIN" or the "Company"; NASDAQ: BGIN), a digital asset technology company with proprietary cryptocurrency mining technologies and a manufacturer of cryptocurrency mining hardware, announced today that the Company's management will participate in the 38th Annual ROTH Conference being held on March 22-24, 2026.

### **About BGIN BLOCKCHAIN LIMITED**

BGIN BLOCKCHAIN LIMITED (NASDAQ: BGIN) is a digital asset technology company with proprietary cryptocurrency-mining technologies that leverages its experience in designing ASIC chips and mining machines to penetrate new cryptocurrency opportunities and execute on a long-term strategic focus on self-mining. BGIN's mission is to make crypto mining accessible to all by developing innovative products tailored to various market needs, from beginners to large-scale industrial miners. BGIN designs and manufactures mining machines under its ICERIVER brand, providing customers with operational flexibility through advanced mining infrastructure and hosting services.

### **Safe Harbor Statement**

This press release contains statements that may constitute "forward-looking" statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to," "target," "project," "potential," "seek," "may," "should," "could," "would," and similar expressions or the negative thereof. Statements that are not historical facts, including but not limited to statements regarding the Company's expectations concerning chip performance and validation, production readiness and timelines, system-level testing and integration, next-generation chip development, customer sample testing and pre-order discussions, and the Company's strategic plans and objectives, are forward-looking statements. Although BGIN believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that such expectations will turn out to be correct, and BGIN cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results set forth in BGIN's filings with the U.S. Securities and Exchange Commission (the "SEC"). Additional factors are discussed in BGIN's filings with the SEC, which are available for review at [www.sec.gov](http://www.sec.gov). All information provided in this press release is as of the date of this press release, and BGIN does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
